Agency for Toxic Substances and Disease Registry (ATSDR) Toxicological Profiles

<https://www.ncbi.nlm.nih.gov/books/NBK153665/>

How to Include Your Content in Bookshelf

Authors, editors, funders, sponsors or publishers may put forward titles for review. Proposed titles must fall within the scope of core biomedical subjects as defined by the NLM Collection. Monographs, government publications, handbooks and manuals, standards and guidelines, statistical works, technical reports, textbooks, web content, and grey literature all are within scope.

For more information on how to apply, see:

https://www.ncbi.nlm.nih.gov/books/about/publishers/#publishers.The_Application_Process

Or email bookshelf@ncbi.nlm.nih.gov
